

HAILO **U**

Hailo

The Hailo logo is positioned in the bottom right corner. It consists of the word "Hailo" in a bold, grey, sans-serif font. The letter "o" is replaced by a solid red circle, and the word "Hailo" is written in white inside this red circle.

NICE TO SEE **U!**

Say hello to the Hailo U – the new and clever seat-and-steps combination fabricated in solid beech. Fitted with an innovative tilting step, the Hailo U can be transformed into a universal household aid. With its quality look of natural wood, it cuts a fine figure in any home setting.

WOOD

Wood is a natural product – alive, sustainable and individual. And beech is one of the best our forests can offer: tough, long-lasting and outstanding for furniture production.
